

Dear Parents,

I hope everyone is well and keeping safe. Over the coming weeks I will continue to assign homework along with some additional activities and resources that I hope you will find helpful. I will be assigning dictations, spellings, maths, some Irish vocabulary and reading for homework each week. I will also offer some ideas for other curricular areas on Google Classroom. I want to emphasise that the additional links, resources and activities provided are completely optional.

Once you receive your child's Google account details via text message, you will be able to access Google Classroom and your child's Gmail. You can contact me via my school email which is dsouth@stmargaretsns.ie. Please note that I can only send and receive emails within our school network therefore emails must be sent from your child's account.

Wishing you all a safe and happy week ahead!

Kind Regards,

Ms. South 😊

Reading

Please sign up to the link below (oxfordowl.co.uk). It is a free website with ebooks relative to your child's reading ability. Junior Infants – starting at level 1 and progressing if time allows onto levels 2 & 3. Aim to read one book a week and increase to two if desired 😊. Once you have set up your free account I have attached the steps to help you navigate your way to the appropriate ebooks section.
